NRTRC ANNUAL CONFERENCE
Telehealth's "Big Bang"

Virtual Conference
April 21–22, 2021

The NRTRC is pleased to announce that registration for the 2021 Northwest Regional Telehealth Resource Center Annual Conference is now open.

Presented virtually again this year, the theme is, "Telehealth's Big Bang: From Challenge to Opportunity".

Join us as we discuss, reflect, and collaborate with subject matter experts on the impact the COVID-19 Public Health Emergency has had on Telehealth. Please visit nrtrc.org/conference to register and for more information.

Our own University of Utah Health employees Linda Sossenheimer (ONDT) and Kristen Quinn (Burn) will be speaking at this event!

**Data Usage Notification**

In order to support the growth of the ECHO movement, Project ECHO® collects participation data for each ECHO program. This data allows Project ECHO to measure, analyze, and report on the movement’s reach. It is used in reports, on maps and visualizations, for research, for communications and surveys, for data quality assurance activities, and for decision-making related to new initiatives. Please contact us at project.echo@hsc.utah.edu with any questions or concerns.
