### A new Substance Abuse Podcast with ECHO Alumna Dr. Paula Cook

Paula Cook, MD and Darlene Petersen, MD have started a new addiction medicine podcast. The podcast is geared towards primary care, specialty or auxiliary health professionals who interact with people with substance use disorders. They have several more episodes ready to release and are excited to continue to cover many topics with invited guests.

## Data Usage Notification

In order to support the growth of the ECHO movement, Project ECHO® collects participation data for each ECHO program. This data allows Project ECHO to measure, analyze, and report on the movement's reach. It is used in reports, on maps and visualizations, for research, for communications and surveys, for data quality assurance activities, and for decision-making related to new initiatives. Please contact us at [project.echo@hsc.utah.edu](mailto:project.echo@hsc.utah.edu) with any questions or concerns.
